Youth Football Partner,

West Side Football Academy, LLC is a new, youth program providing position specific youth football instruction in the state of Indiana.

As an organization, we specialize in providing football clinics that teach young athletes footwork, fundamentals, techniques and proper mechanics to improve their football skills.

2013 Coaching Staff

As you know, the scrutiny of the sport (due to concussions, other injuries and lawsuits) have dramatically raised the costs to put on these types of events, that is why we're looking for your support. Player's registration fees only cover a portion of the costs needed to run instructional programs like these.

Head Coach

Lloyd Brown

To provide the best experience and keep costs low for the players, we look for sponsors to help with the following: **legal and insurance fees, equipment costs, field rentals, apparel (t-shirts and shorts), and miscellaneous admin (marketing, website, etc.).**

Assistant Coaches

Charlie Tuel

Brad Weedon

Nick Johnston

Will Goodvine

George Perez

Brad Goodfellow

Matt Masariu

John Wolf

We would be honored if you would support our efforts in any way and at any dollar amount.

We tested these clinics during the spring of 2013 and had great success! During the 3 inaugural clinics we had **71 total registrations** (avg. of 24 each). Participating players came from the following areas: **Brownsburg, Avon, Ben Davis, Pike, Plainfield and Danville.**

Thank you in advance for your consideration and helping us get this program off the ground!

Sincerely,

Lloyd Brown
